

DUELING APPLICATION EXAMPLES

1. Step parent/caretaker applies – child on TANF with stepparent. Yours, mine and ours.
Note: Volume 3 rule, not multiple oblige. Need to set up with dad as the NCP. Research to see who owes who. No UPA will be attached. Must put up case on ACSES.
2. Dad now on TANF – mom has a b/c case. Research to see if this is the classic POCPC scenario and take appropriate steps. Must be put up on ACSES.
3. One parent on TANF – other parent applies for CCAP.
Research to see if circumstances are the same and case is up correctly. I.e. TANF still appropriate? May close the CCAP case per Federal guidance.
4. Minor parent in grandparent's home. Grandma on TANF with minor child. Minor child applies for CCAP.
5. Basic Role Reversal – Enforcing County rules apply. First come first basis for TANF – both cannot receive.

Bottom line... communication is a must!!
