 employer on the ACSES?
 employer to the ACSES?
 existing employer location?
 employed

ES might be

secret!

- Any of the following characteristics should be taken into account when evaluating an NQST:
 - The NQST's location and size should be appropriate for the FDI Employer's needs and to work
 - The Employer's services will support the Employer's work and will add to the existing services that are provided by NQSTs and other employer locations
 - Does the NQST have a qualified staff to address the needs for other NQSTs and/or clients
 - Does the NQST have any other potential concerns

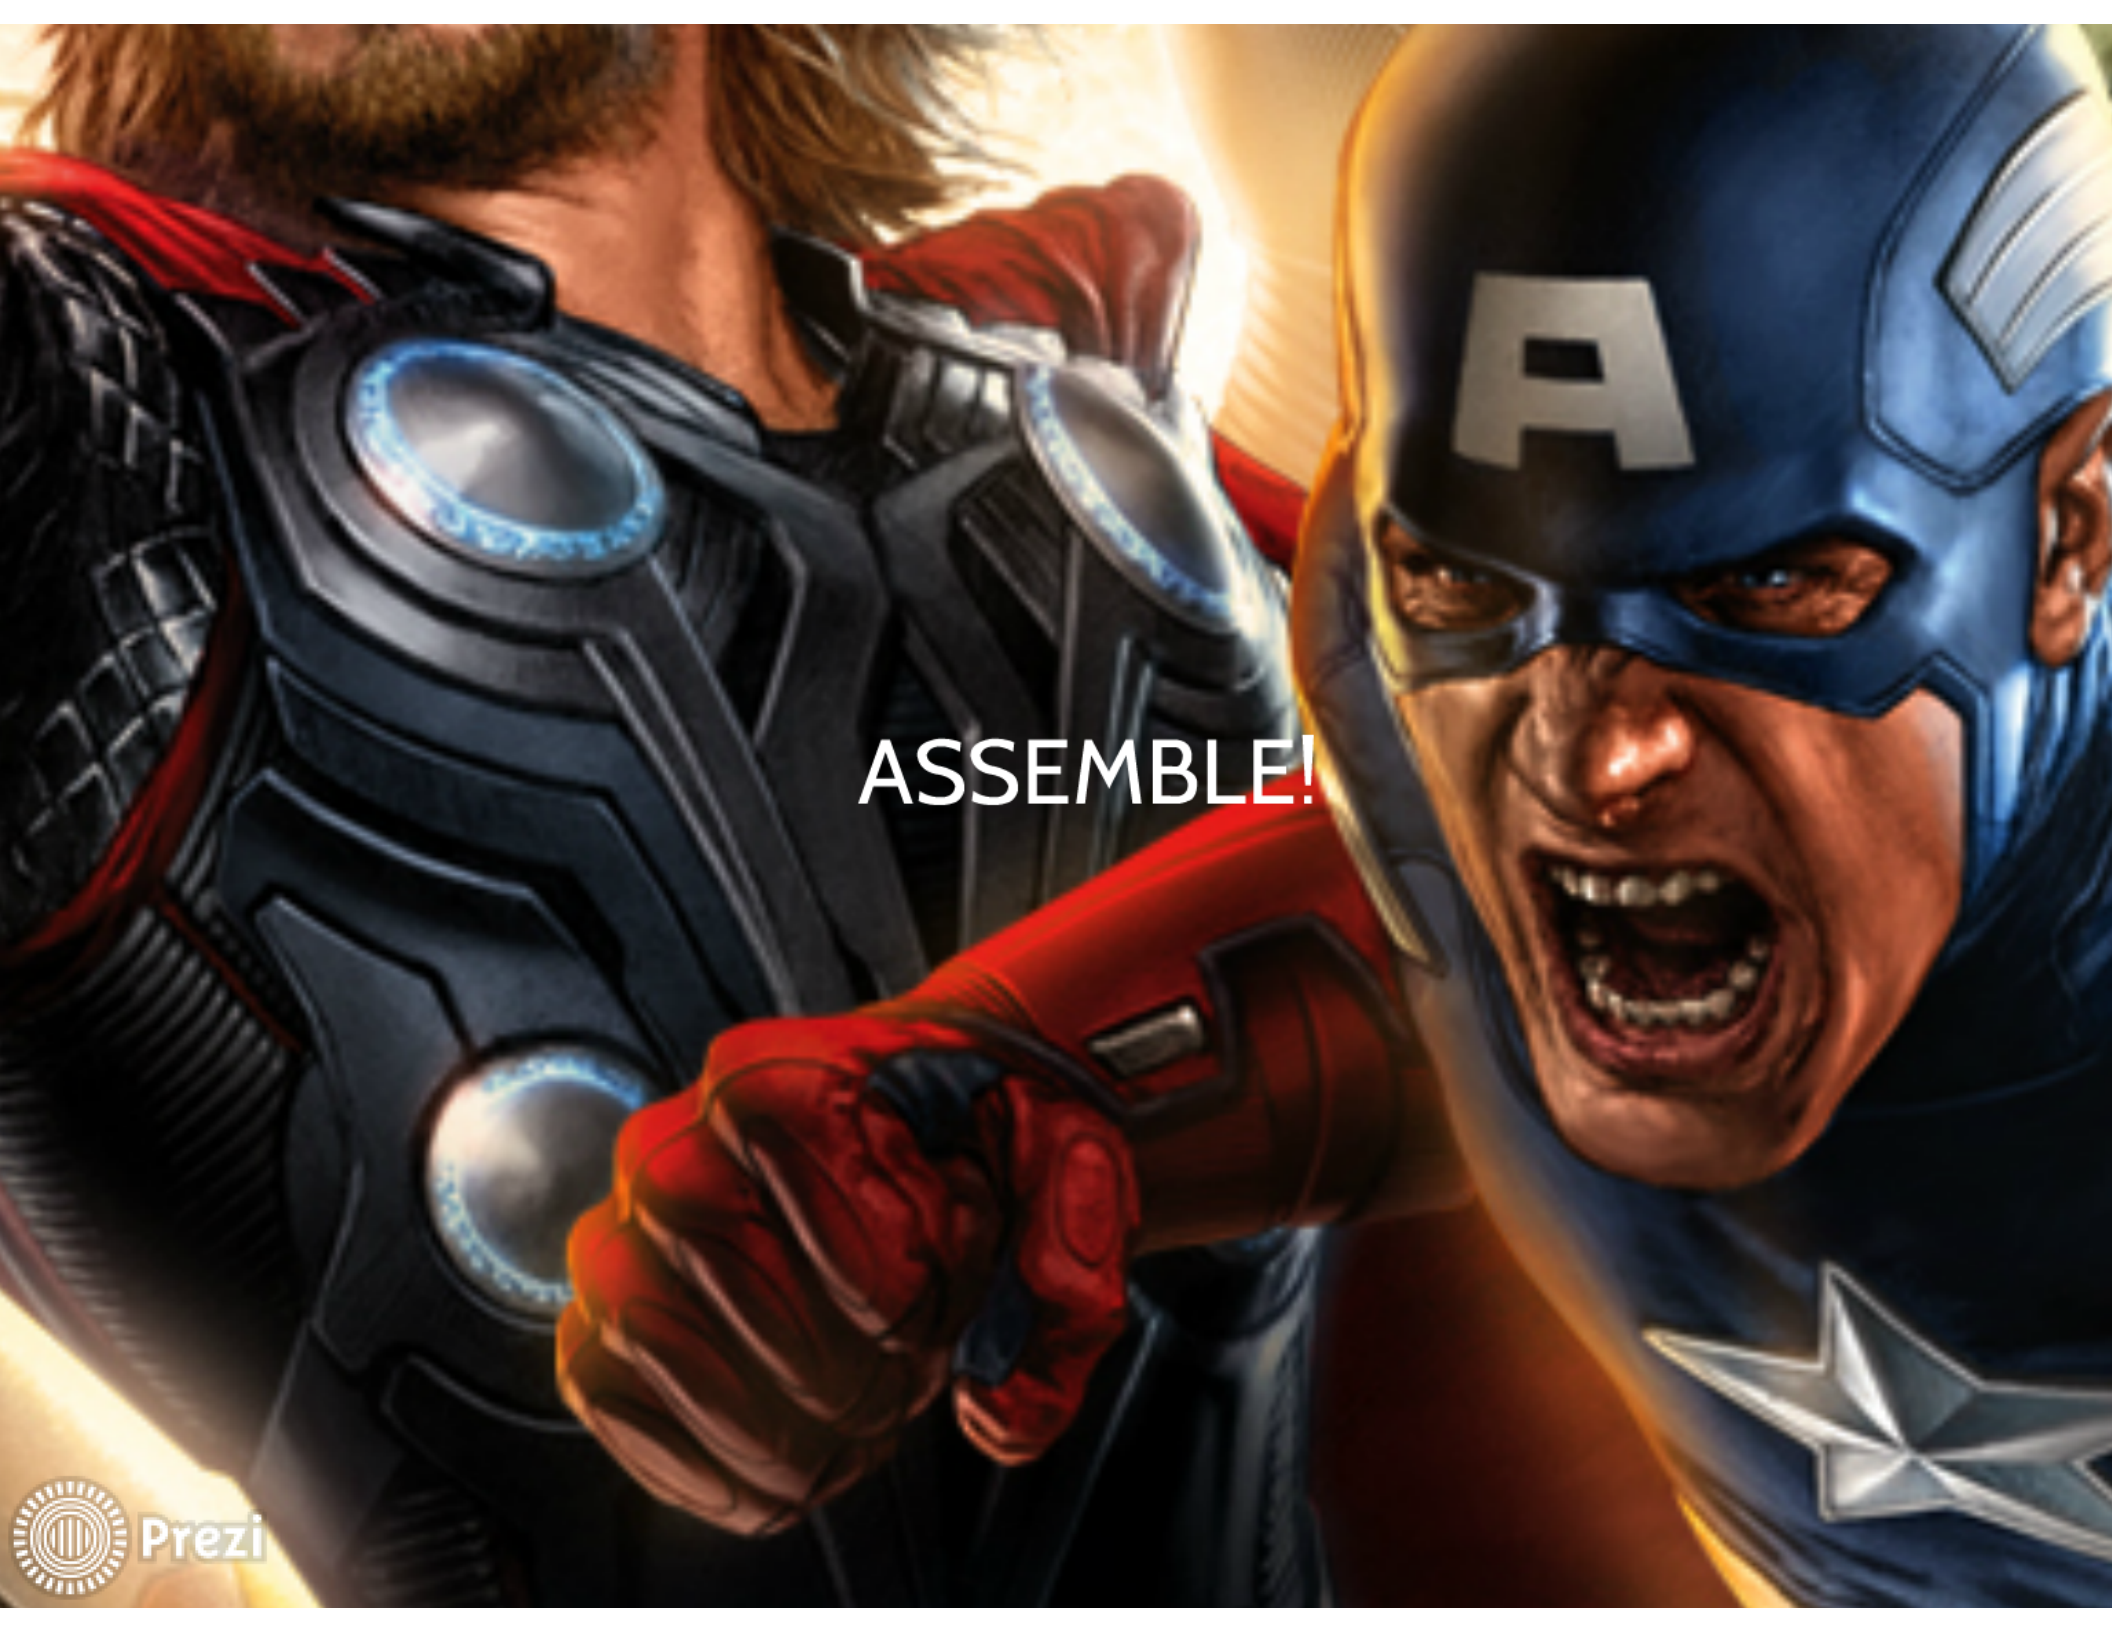

[illegible]

The screenshot shows a scene from the TV show 'The Big Bang Theory'. The title 'The Friendship Crisis' is visible at the top. The scene depicts several characters in a room, with Sheldon Cooper in the foreground, looking towards the camera. The background shows other characters in a room with bookshelves.

The diagram illustrates a Green Data Center architecture. At the top is a green dome labeled "Green Data Center". Below it, several components are connected by dashed lines: "Energy" (solar panels), "Cooling" (chillers, fans), "Power" (UPS, generators), "IT" (servers, storage), and "Network" (switches, routers). The components are arranged in a circular fashion around the central dome.

The screenshot shows a PivotTable titled "Org Office Type". The data is organized by "Region" (North, South, East, West) and "Office Type" (Retail, Wholesale, Distribution, Manufacturing, Service, Other). The table shows counts for each combination. For example, in the North region, there are 10 Retail, 10 Wholesale, 10 Distribution, 10 Manufacturing, 10 Service, and 10 Other offices.

[illegible][illegible]

ASSEMBLE!

A close-up, slightly blurred image of Captain America's face and chest. He is wearing his iconic blue helmet with a white star and a red, white, and blue suit. His right hand is raised, showing the circular shield emblem on his gauntlet. The background is dark and out of focus.

Janine Archuletta

Frank Shamoon

Gene Ramirez

Trivia Question!

A background image of Captain America's face and shield, rendered in a comic book style. The shield is prominently displayed on the right side, with its iconic red, white, and blue concentric circles and a central star. Captain America's face is on the left, wearing his blue helmet with a white star and a determined, shouting expression. The entire image is overlaid with a semi-transparent dark grey rectangle containing text.

Employer Table

- How does CSS get the employer locate information?
- How do I find an employer on the ACSES?
- How do I add a new employer to the ACSES?
- How do I modify an existing employer location?
- Organizations & PEOs
- Obligor is No longer employed
- Employer coupons

How does CSS get the employer locate information?

Locate data is received and loaded into ACSES nightly.

- National Directory of New Hire(NDNH)
- State Directory of New Hire(SDNH)
- Quarterly Wage National(QN)
- Quarterly Wage State(QN)
- State Parent Locate System(SPLS via Csenet)
- Social Security
- Workers Compensation(WC)

Employer Mismatches/Exceptions

- Once the information is received it will be processed by ACSES(Auto issuance/Locate).
- If any of the employer data meets criteria for a mismatch to an existing employer on ACSES, it will be sent to a queue for the FSR Employer Services Unit to work.
- FSR Employer Services will research these employers and either update the existing employer location on ACSES or add a new employer location.
- Once the information is verified it will be added to the case for either Auto Issuance or locate.
- New Hire exceptions are usually worked the same day.

What is a PEO?

- A professional employer organization (PEO) is a firm that provides a service under which an employer can outsource employee management tasks, such as employee benefits, payroll and workers' compensation, recruiting, risk/safety management, and training and development. The PEO does this by hiring a client company's employees, thus becoming their employer of record for tax purposes and insurance purposes.
- The IWO must be sent with the PEO's name and FEIN.
- PEO's can be set up as an org, Third Party Provider or in the mailing address on the employer location.

When FSR Employer Services is notified the obligor is no longer employed; they will update the employer location.

A close-up, high-contrast image of Captain America's right fist, clenched in a power grip. The fist is wearing a red glove with a white star on the back. The background is dark and blurry, showing parts of his blue and red uniform and a white star on his chest. The word "Questions?" is overlaid in large white text.

Questions?
