# INTAKE

- ◉ First steps – RESEARCH, research, research!! Training on the fly tips.
- ◉ Check those records - is child on any other case? What is enforcing county rule?
- ◉ TANF Rules – never on two cases, remember their review period, 6 months till Redetermination.
- ◉ Examples of two payers

# INTAKE

- ◉ Non coop- working? Issues with TANF side and their exceptions?
- ◉ Enforcing county – remember, whoever had the case first, keeps it. POCPC desk aid.
- ◉ Parent in TANF Household not on application. Vol. 3 requires cooperation of all members of Household.

# INTAKE

- ◉ Dueling Applications - What does this mean – Must we initiate?
- ◉ Who are these parties – CP,NCP, Caretaker relative?
- ◉ Examples:

## Dueling Applications

### ◎ Two parent Households:

Colorado Works – Volume 3.604,2,H,3 – Individuals in the assistance unit must participate in work activities and make a plan. CSS State Policy dictates that this constitutes a referral on the other parent. New SSSPA requires both parents to sign so this won't be an issue in the future.

### ◎ Two separate Households receiving benefits:

Per Federal directive, all based on assignment of rights. If there is an order for child, child's needs are met. The paying parent has nothing to assign to the state. Therefore, there is nothing to enforce based on F.C.R. 303.11(b)(1). Closure Code H, \* problem log needed.
