## Dueling Applications

### × Two parent Households:

Colorado Works – Volume 3.604,2,H,3 – Individuals in the assistance unit must participate in work activities and make a plan. CSS State Policy dictates that this constitutes a referral on the other parent. New SSSPA requires both parents to sign so this won't be an issue in the future.

### × Two separate Households receiving benefits:

Per Federal directive, all based on assignment of rights. If there is an order for child, child's needs are met. The paying parent has nothing to assign to the state. Therefore, there is nothing to enforce based on F.C.R. 303.11(b)(1). Closure Code H, \* problem log needed.
