A Letter From the President

2016 is upon us and the Council has been putting their heads together to bring an informative, educational and fun conference. The agenda committee, led by President-Elect Shelbie Sundeen is gathering ideas and suggestions and putting together an agenda that will be full of great sessions that will help us to achieve our goals and stay ahead of the game. This year we are working towards helping the new workers learn what child support is all about with a track just for them, but seasoned workers may also want to attend to get a refresher. Our second track will be geared to the advanced child worker who wants to fine tune their knowledge.

Also it is not too early to think about nominations. Who in your office deserves to be recognized for the work that they do in promoting the child support world, working with the general public or just being a great co-worker.

I look forward to seeing many of you at the conference in Loveland.

Donna Gibbs
CFSC President
2015-2016

The Registration committee is working on getting the registration form up on the child support website and soon we will have the charity picked so you can start working on the great baskets that seem to appear every year.

Board Member Bios

Frank Shamoon-State Office

My name is Frank Shamoon and I have been in the child support program for over 16 years. I started in Adams County CSS as a college intern and the rest was history. I worked in Intake, Establishment and Enforcement. In 2011 I went to the state office where I worked for the FSR. Now I work as an Operations Analyst with the Case OA team, resolving problem logs and working on implementing and testing changes to the system before they are released to production. This is my first time being on the CFSC board and let me tell you

it has been wonderful. I have met so many dedicated workers I would have never had the chance to meet or work with if it wasn't for the board. I hope that I can help assist with putting on an excellent CFSC conference for 2016, and I hope to see everyone in Loveland.

Suzanne York-Larimer County

Suzanne has worked in both the private and public sectors for over 30 years with extensive experience as a paralegal in the areas of litigation, municipal law and family law. She has worked for the Department of

Human Services as a Public Assistance Hearing Officer and as a Child Support Technician/Paralegal since 2008. Suzanne currently enjoys establishing paternity and support orders for Larimer County.

2016 CFSC LOGO REVEAL

This year one of our fellow CFSC teammates won the logo contest. A big congratulations to Brandy Davis of Denver County. The logo represents the 'united' theme of this year's CFSC conference.

The correct answer is: C
If you picked any of the other choices, you were pretty close. If you don't know who this person is, then you better come to Conference this year!
